## Penn Valley Boy, 3, Ardmore Man Killed

Albert J. McCullough, Jr., and A. J. Kilberg Struck by Autos

### DRIVERS HELD IN BAIL

Automobile accidents were fatal this week to Albert J. McCullough, Jr., three-year-old boy, of Penn Valley, and A. J. Kilberg, 60, Ardmore Park confectioner.

The boy, son of Mr. and Mrs. Albert J. McCullough, of Flat Rock road, was playing Tuesday in the driveway of the home of Frank B. Allen, a neighbor, when he was struck by the machine driven by Homer E. Allen, 21, Mr. Allen's son. The driver, in turning the car around, was not aware of the boy's presence until he saw the child lying in front of his automobile.

Allen took the boy to the office of Dr. Edwin C. Town, Narberth, who sent him to the Presbyterian Hospital, Philadelphia, where he died a short time later from a fractured skull.

Mr. Kilberg, whose home and store are at 672 Point Reading road, was struck by the automobile of Mrs. Anne H. Spering, of Aubrey avenue, at the corner of Cricket avenue and School lane, Ardmore, Tuesday afternoon. He died six hours later in the Bryn Mawr Hospital.

Mrs. Spering said Kilberg, who was walking along in the street, suddenly became confused and jumped into the car's path.

He is survived by his widow, Rebecca, and a daughter, Mrs. William Grover, Bryn Mawr.

Allen and Mrs. Spering were each held under \$1000 bail by Magistrate F. P. Kromer, Bala-Cynwyd, pending inquests by the Montgomery County coroner.

## 85 Team Committee Members Announced

As the United Campaign for \$4,688,000 got under way this week, Rodney K. Merriek, Main Line Division chairman, announced the names of eighty-five local residents who are serving on the Teams Committee. These are in addition to the community leaders and team captains announced last week.

Officially the drive for health and humanity started Monday

## The Grist Mill

Private checking accounts are now on a pay-as-you-use plan at the Bryn Mawr Trust Company and the Bryn Mawr National Bank. No charge is made if no checks are drawn regardless of balance. A balance below \$50 monthly means a charge of \$1, with which ten checks will be allowed. All checks in excess of ten are charged at the rate of three cents apiece.

Lancaster avenue, Bryn Mawr, from Old Lancaster road to County Line road, Rosemont, will be widened from 40 to 44 feet and reconstructed this spring, according to the State's chief engineer, John A. Stinson. With the roadway full of ruts from the winter's storms, no one objects to the reconstruction, but the Bryn Mawr Business Association had protested the widening because of the tie-up of traffic that would be detrimental to business. The State detour will be over Haverford road. Motorists also will use Montgomery avenue, a county highway. Work will start about the middle of April.

Main Line Lions, at a benefit party last week in Narberth, raised \$35 for the Seeing Eye Foundation, which supplies trained police dogs to guide blind persons.

Two "colonels," both of Haverford, Edwin M. Chance and Samuel Price Wetherill, Jr., retiring president, have been elected to the Philadelphia Art Alliance's Board of Directors.

Nicholas Parrina, 21, Lansdowne, who is alleged to have robbed a service station at Greenfield and Lancaster avenues, Ardmore, of \$14 and later alleged to have jumped his \$2500 bond, was arrested in Atlantic City, N. J., last Friday and returned to the Montgomery County Jail at Norristown by Lieutenant Walter Brown and Sergeant Clarence Robb, of the Lower Merion detective bureau.

Committee Also Named to Arrange for Memorial Day Parade

### REPORTS ON APRIL 27TH

Plans to place Narberth's cannon on its playground were made Monday night at the meeting of the Harold D. Speakman Post, American Legion, sponsor of the ordinance.

A committee of A. Perry Redifer, Jr., chairman; Arthur L. Cooke and Robert C. Collins was named by Post Commander Harvey Cook to obtain designs and estimates on the work and report back at the next meeting of the organization April 27.

Under Borough Council's permission to place the cannon it must be a part of the grouping to include the memorial tablet in front of the library and the flagpole.

William H. Durbin was named chairman of a committee to arrange for the annual Memorial Day parade in Narberth. Other members are Henry A. Frye, Roland K. Hewitt, John C. Clark, Gordon Wunder.

The annual meeting of the Ninth District will be held at 8.30 the evening of April 8 in City Hall, Norristown, preceded by a dinner at 6.30, it was announced by District Commander Frank Challenger.

## Moderator at Installation of Rev. Archer Anderson

Rev. Archer E. Anderson was installed pastor of the Narberth Presbyterian Church Tuesday evening, March 24, in the presence of a large attendance of the congregation and friends.

The installation by Dr. Harvey C. Klair, moderator of Presbytery of Philadelphia North, was very impressive.

The charge to the pastor by Dr. George W. Christ, member of the Presbytery, and charge to the congregation by Rev. Allen E. Frew, of Ardmore, also the sermon by Rev. Henry Woll, of Malvern, were most interesting and made the occasion a memorable and auspicious event in the history of the Narberth Presbyterian Church.

## In Play Tonight

Charter Presented by County Cub Commander Monday

### PIANIST IS IN PROGRAM

The P. T. A. meeting in the Narberth school on Monday evening was opened with the invocation by the Rev. Archer E. Anderson, minister of the Narberth Presbyterian Church. This was followed by the salute to the flag. William L. Clark, cub pack commander of Montgomery County, thanked Mrs. Wesley P. Dunnington, the president of the association and the parents for the organization of a cub pack which is sponsored by the P. T. A.

Mr. Clark then presented the cub pack charter to Mrs. Dunnington, who in turn presented it to Henry A. Frye. There are forty-two cub divisions which are divided into four dens which are under the directorship of four mothers. There will be a meeting once a week under the direction of Mr. Allan B. ## Rotarians Hear of Franklin Institute

Great Chalice of Antioch Soon on Display There

### A. N. SPITZ IS SPEAKER

Is the Great Chalice of Antioch the true Holy Grail? This is a question which no one seems able to answer, but a sight of this rare find will be afforded to local people soon when the Chalice is placed on display at the Franklin Museum. This and other interesting items about Philadelphia's great scientific institute were told Tuesday to the Bala-Cynwyd-Narberth Rotary Club by Armand N. Spitz.

Mr. Spitz, associated with the institute, is president of the Haverford Township Chamber of Commerce and publisher of the *Haverford Township News*. An amateur astronomer, he has constructed a successful home-made telescope.

Mr. Spitz told of the present series of exhibits on phases of crime detection and explained some of the working models which fascinate visitors to the museum. The speaker also dwelt on the interesting features of the Planetarium, one of the few to be found in the world.

## Narberth Players in Mystery Play At Borough School, March 27 & 28

Narberth Players fans will be interested in knowing that this Friday and Saturday, March 27 and 28, the Players will present "The Perfect Alibi," a mystery play by A. A. Milne, at the Narberth Borough School.

Many people know Milne is a writer of children's stories such as "Winnie the Pooh," but he is equally well known for his stage successes. "Mr. Pim Passes By," "The Dover Road," are probably the best known. The latter was one of the first plays ever presented by the Narberth Players and was a decided success.

## Boy Scouts Help Open Campaign Exposition

The Wynnewood Pine Tree troop helped to open the United Campaign in Philadelphia when at 5.30 P. M., March 16, Ted Englehart, of Narberth, received the torch from Mayor Wilson's hand at City Hall. Donald Love, Wynnewood, and Charles Snyder, Alfred Gres and Richard Ferguson, all of Narberth, accompanied Ted around City Hall.

The torches were then relayed to groups of five scouts, stationed at intervals, who took them from City Hall to Convention Hall.

Isaac B. Knoll, of Narberth, scoutmaster of the Wynnewood troop, managed the whole affair. Troop Committeeman Walter Fox, of Narbrook Park, procured free transportation for the boys.

Other boys who participated in the relays were:

Ray Nordblom, Miles Clipsham, Roger Fox, Harrison Berry Dick Mason, Bill Whiting, Bud Nold, Bill Duncan, Bill Brines, Gus Bowman, Calvin Batchelor, Bill Haywood, James Barnett, Robert Nordblom, William Sargent, Noyes Leech, Jack Reeves, Edwin Marble, Claude Waters, David Leech, Alex McClintock, Donald Claghorn, Dick Berry, Robert Bailey, Jack Conway, Bill Weideman, Jack Shems, and Bill Leins, all of Narberth, and James Gilmore, of Ardmore.

## Choir Elects Officers

Mrs. John C. Nash had a party for the members of adult choir of the Narberth Presbyterian Church at her home, 80 Wynnedale avenue, last Friday. Mrs. H. F. Darnes, Mrs. C. S. Wilmot, Mrs. George V. Woodrow, Miss Ingeborg Thaysen, A. T. Bowers, Thomas McClintock, C. M. Tapp, Frederick M. Robb, Jr., and James Weeks, choir director, were there.

At the election of officers Mrs. Nash was chosen president and treasurer, a combined office; Mr. Robb, secretary; Mr. McClintock, librarian, and Miss Thaysen, press agent. After the business meeting, games were played, Mr. Weeks sang a solo, Mrs. Wilmot and Mrs. Woodrow a duet, and the group sang a few numbers.

## Narberth Theatre Rings Bell Thrice

"Midsummer Night's Dream" is Coming Monday and Tuesday

### NOW HAS "INFORMER"

Ring the bell of entertainment three times in one week, the Narberth Theatre has booked "The Informer," winner of four academy awards, for this week-end, and "A Midsummer Night's Dream" for the first of next week. Each show is a sensation. And the first of a weekly series of Columbia "Happy Hour" entertainments will take place this Saturday at 1 P. M.

"The Informer," judged the best directed screen play of last year, had for star Victor McLaglen, whose performance won him the award for being the year's best actor. It is a realistic long-to-be-remembered drama about an Irishman who betrays his friend and is overcome with remorse.

Saturday's matinee will see the first of Columbia "Happy Hours," something unique in show business and at Narberth for the first time on the Main Line. The one-hour programs, beginning at 1 o'clock Saturdays, contain six or more short subjects reviewed and selected for their appeal

## Main Line League May Add 2 Teams

Number Left Open; Hanley and Harnden Again Head Circuit

### J. MULLIGAN IS VICE-PRES.

No less than eight teams will be in the Main Line Baseball League this year, and there may be ten organizations represented. Twice the question of whether to add two teams to the circuit was put to a vote at Wednesday night's opening session of managers and officers, and twice the result was a tie. So the decision was delayed until the next gathering on April 8, when the schedule will also be decided upon.

Meeting in the Green Room of the Arcadia Restaurant, Narberth, the team representatives unanimously re-elected Walter Hanley, Paoli, president, and Charles Harnden, Penn Valley, secretary-treasurer. John Mulligan, Narberth, was chosen to succeed Herbert Good, South Ardmore, who did not stand for re-election, as vice-president.

It was decided that each club would post \$25 and the Philadelphia League baseball was adopted as the official sphere.

To add zest to the competition, season's playoff money will be distributed on a decreasing percentage basis, based on standing among all the teams, probably starting with 40 per cent for the winner, 25 per cent for second place and tapering down.

Team representatives present were: Narberth, defending champions, Gene Davis; Brookline, Eddie Hare; Berwyn, Dan Redmond; Philadelphia Eagles, Ed Sullivan; Gladwyne, George Nellings; Coatesville, Perk Richards; Paoli, Charles Madden; Cardington, Richard Mulligan.

Applications for membership were received from the Dunkirk A. C., Philadelphia; Downingtown and Malvern.

## Hobby Show Next Friday

Some of the most valuable stamp and war medal collections along the Main Line will be exhibited at the hobby show to be given by members of the Narberth, Ardmore and Penn Wynne cub packs and their fathers at the Narberth Legion Room, Community Building, on April 3.

## Main Lines

"It is better to be a man than a woman."

That's the subject of a mock debate 4 o'clock this (Friday) afternoon in the Haverford College Union. Haverford's young men will say "yes," while the sons of Old Eli take a negative view, that is so far as the men are concerned. There will be no decision, and how could there be?

Despite its grim toll of life and property, recent Pennsylvania floods produced a number of humorous stories

One was the case of Mrs. A. C. Dinkey, of Kent road, Wynnewood. Her son, Robert, wrote that he wanted some candles as there was no electricity at his Pittsburgh home. Mrs. Dinkey immediately sent her chauffeur, James Rea, to buy candles and send them by air mail and special delivery. Mailed Saturday, they arrived the next day in Pittsburgh.

Rea's accounting of purchases: Six dozen candles, \$2; postage, \$24.60.

Fire sirens do not always mean what they say. This is the conclusion reached by James A. England, of 224 Sabine avenue, Narberth, who was in Williamsport on business last week.

After a pleasant stroll about the city Mr. England went back to his hotel, noting that every fire siren in the city was shrieking. "Must be a bad one," he murmured, as he went up to his room. When he arose in the morning Williamsport was a lake, with rowboats calling at second-story windows for passengers. He had not known that the sirens was the signal for everyone to evacuate the city's business section. The Narberth man, who was marooned for several days, returned home with the realization that one of life's luxuries is to have a glass of drinking water any time you want it.

## Editorial Comment

With traffic accidents yearly taking a greater toll of life than many of this nation's wars, the safe driving course of twelve lessons, now in effect in the Lower Merion High School, should be of great practical benefit. Impressions gained in youth are likely to have more effect on a motorist's conduct than any amount of preaching from press and police after he has reached the adult age. Edward P. Curran, safety director of the Keystone Automobile Club, is sponsor of the course which is being taught in thirty nearby high schools.

The United Campaign has been repeated enough years that the question no longer is "Suppose Nobody Cared?" but rather "How Much Do You Care?" No one any longer doubts the necessity of the funds raised to continue the work of some 141 agencies, members of the Community Fund of Philadelphia and Vicinity and the Federation of Jewish Charities. The \$4,488,000 sought, is urgently needed for the necessities of life, health services, and welfare work. The purpose of making one general drive is to avoid inefficiency in the administration of the money and to minimize the annoyance of frequent solicitation. Residents of the Main Line and of Bala-Cynwyd, which prides itself on handling its welfare work as a distinct unit, may give generously in the knowledge that their contributions will do more good and stretch farther than if donated severally.

Last week Physical Director William H. Anderson's Lower Merion High team was stopped by Lebanon High from going any further toward the State Basketball championship, while out in Denver, Coach Anderson's Penn. A. C. team was halted a couple of games short of becoming National A. A. U. champions. Whereupon sympathy and criticism were offered Mr. Anderson. Some felt sorry that he had such tough luck, while far too many suggested that he must be slipping as a coach. It is hardly fitting that sympathy be extended to a man who directed two teams, both of championship calibre, in one season. And the 20 straight games won by his Lower Merion team is scarcely an indication that he is losing his grip as a director. Sometimes it seems the public isn't satisfied with marvels; it wants nothing less than miracles.

Recently Julius Zieget, president of the Lower Merion Board of Commissioners, said that "it isn't sporting to try to beat the dog-catcher. He might have added that it isn't sporting to hurl the criticism that has been directed by individuals against the commissioners' committee and the Lower Merion police department in charge of enforcing the quarantine. If ever a more-disliked job was wished on a group of men, all of them dog lovers and many of them dog owners, we have yet to hear of it. Therefore it is especially to their credit that they are carrying out an odious task so fairly and so well.

You will find helpful hints in the ads. Read them.

## THE GRIST MILL

Continued from Page One

Miss Mary Gaughan, 42, a boarder at the home of Mr. and Mrs. Patrick Gallagher, of Martin avenue, Bryn Mawr, died Sunday at the Bryn Mawr Hospital, where she was taken by Lower Merion police after drinking a poison disinfectant. Montgomery County Coroner William J. Rushong declared her death a suicide. Miss Gaughan, a waitress at the Shipley School prior to an injury about a year ago, had been despondent over ill health and unemployment.

Peter C. Hess, Lower Merion Township treasurer and tax collector, this week sent out final notices that 1935 taxes on real estate are due and payable. Payments will be received at the treasurer's office, Township Building, Ardmore, until April 25.

William R. Mooney, president of the Bryn Mawr War Memorial Association, announced this week that work will be started at once on the War Memorial and Community House Building, which requires a new roof, new heating plant and renovations. Of funds obtained in the recent campaign to save the building, \$3600 will be used for repairs and \$1500 has gone for payment of debts incurred during the depression years.

Montgomery County Commissioner Fred C. Peters enrolled forty-seven additional voters, thirty-six Republican and eleven Democrats, Monday night at the Lower Merion Township Building, the final opportunity for registering party affiliations in order to vote at the primaries April 28. Aiding Mr. Peters were Township Treasurer Peter C. Hess, W. Russell Green, Narberth, county solicitor; William T. Warren, G. O. P. committeeman in South Ardmore No. 2, and Mrs. Isabella D. Yetter, North Ardmore No. 1 committeewoman.

Autocar truck sales are about three times greater for the first quarter of 1936 than for the same period in 1935, it was reported at the monthly meeting of the branch managers at the Autocar Company's offices in Ardmore.

Narberth's Superintendent of Public Works, George B. Suplee, this week started repairs to the borough's streets damaged by the winter's storms.

Choctaw Tribe, I. O. R. M., will elect officers this (Friday) evening at the Red Men's Hall, Bryn Mawr. Opposed are: Joseph B. Allen, Jr., sachem; Frank Thompson, senior sagamore; Thomas Harkins, prophet; John J. Hencher, chief of records; James Evans, keeper of wampum; John Ball, finance committee member. There are contests for the office of junior sagamore and for trustee.

## PROPOSED SCHOOL BUDGET FOR 1936-1937

A copy of the proposed budget is on file in the office at the school, where it may be seen by anyone interested. The budget will be adopted at the April meeting of the Board, held April 17.

WALTER STECKBECK, Secretary.

The Girl Scout Pioneers, a group of sixty-two advanced campers, have been invited to open the cottage at Avalon, which belongs to Mrs. P. D. Folwell, of Merion, a member of the troop committee of Narberth Troop 8. The president of the Pioneer Club, Miss Christine Mahl, of Narberth, explains that the trip will be made the latter part of May and although they expect to have a vacation they will leave the cottage opened, aired and cleaned for the occupancy of their host's family as a tribute to his hospitality.

Narberth Brownie Pack 23, Mrs. Edmund A. Whiting, Brown Owl, had a "Flying-up" ceremony last week when Jean Simpson and Eugenia Thaysen received their Golden Wings on the strength of which they "flew-up" to Narberth Girl Scout Troop 8. Shirley Bailey was also to have received her wings, but was ill and could not attend the ceremony. Those Brownies to receive their Golden Bar were: Barbara Bailey, Ellen Burr, Dorcas Hamilton, Marilyn Jamieson, Nancy Lawrence and Patsy Taitt. The Golden Hand was awarded to Barbara Bailey. Those who received their Wings had also passed all tests for the Golden Hand. Mrs. Whiting, the Brown Owl; Mrs. Reuel S. Katrina Hoyt, Peggy Maslin, Mary McCafferty, Catherine Ridge, Arlene Albrecht, all passed table setting, a requirement of the second class test. Mary McCafferty passed cooking with a delicious cup cake.

After the flag ceremony, which opened the meeting of Narberth Troop 8 last Tuesday evening, Betty Seasholtz and Shirley Vincent told the girls of the work the Girl Scouts of the Main Line are doing to aid the Red Cross in flood relief.

Cappie announced that next Tuesday evening there will be a mass-meeting of the three Narberth troops, at which one of the Narberth Fire Company will speak to the scouts on fire prevention.

The contest to see who can collect the most tent caterpillar egg masses closes Friday. All masses collected must be turned in to Shirley Vincent by 4 o'clock.

Cappie took charge of the tenderfoot class while the second and first class groups continued their study of signaling. The first-class group worked up its speed in sending and receiving.

The troop then held an investiture ceremony at which Floris Lockard was enrolled as a tenderfoot scout.

## BARRICADING THE DELAWARE

Iron mined in the Philadelphia area helped us against the British during the Revolutionary War. Probably its most spectacular usage was the barricade across the Delaware to keep the British fleet from coming up to Philadelphia.

Heavy wooden frames were sunk into the river at 60 foot intervals. The up-stream ends were shod and pointed with iron. Iron chains ran from one to the other. At low tide they were not more than six feet below the surface of the water . . . a formidable obstacle for any ship.

The local iron ores are of a type called Limonite that occur in or at the edge of our limestone belt. Deposits are found at Oreland, Spring Mill, Conshohocken, Gulf Mills, and Valley Forge.

Iron is a very common element . . . it forms about one-fifth of the earth's material. Rivers and streams often contain iron in solution picked up in their course.

Water containing iron may never be used in a public water supply because it stains plumbing fixtures and discolors laundry. Through our careful selection of streams and our painstaking purification processes, Philadelphia Suburban Water is entirely free from any harmful iron.

## Another glorious EASTER And Another Opportunity to be of Service

The ideal of "service in business" is responsible for our beautiful Main Line Store—for a big family of happily employed men and women—and for a metropolitan shopping service with all the advantages of suburban ease and comfort in shopping.

**In Each Especially Busy Season We Are Reminded Anew of Our Responsibility in the Community**

The twelfth of April, when all nature will be awakening, has quite naturally come to be regarded as the real, or may we say, formal opening of the Spring season. Easter-tide is generally accepted as the time for a universal change of fashions, though, of course, a multitude of women—and many men, too—are eager to don their new Spring raiment before the day arrives, or at least to have it ready. Thus it is natural that the days from now until Easter will be the busiest of the season in all of our departments of apparel for women, and for men and children as well—for nearly everybody is now aroused to a full consciousness of the need of new clothes. And The Main Line Store is better than ever ready to meet that need.

## Garden Club Gains Flower Show Prize

Bala-Cynwyd Second in Terrace Gardens Section of Expositions

### MAIN LINERS WINNERS

The Garden Club of Bala-Cynwyd won second prize at the Philadelphia Flower Show in the section of terrace gardens sponsored by the Pennsylvania Horticultural Society. This garden was done in full size and was twelve feet long and six feet deep. The hedge at the back was four feet high and was furnished by the Horticultural Society. On the brick wall at the back of the garden was a fountain of a boy's head laid flat on the wall and a lovely old wrought iron gate. The terrace was of brick with Easter lilies and an arbor vitae tree planted between the gate and the fountain. Rock foliage was planted between the rocks. Mrs. Alexander Hunter planned the garden.

Mrs. Edwin M. Lyons and Mrs. Philip Chase are co-chairmen of the Garden Club of Bala-Cynwyd at the show.

The first prize, the gold medal, was won by the New York Weeder's Club. The Penn Valley Garden Club will act as hostess at the Flower Show this Friday evening. They have two entries. One is a Mexican arrangement, shown on Wednesday, and the other is a Japanese arrangement, shown on Thursday.

Mrs. E. Burke Wilford, a member of the Penn Valley Club, has a private arrangement in the Mexican arrangement class.

Albert F. W. Vick, of Bentley avenue, Cynwyd, won first in special classes open to all for his wild flower gardens. This was an exhibit of plants commonly known as native wild plants in flower, arranged in a naturalistic setting on a space of not less than 100 square feet. Mr. Vick also won second prize in a section covering not less than 800 square feet.

### Main Line's Patronesses at Simfonietta March 28

Many Main Liners are in the list of patronesses for the eighth annual Simfonietta Children's Concert to be held in the ballroom of the Bellevue-Stratford on Saturday morning. Fabien Sevitzky, conductor. Among the sponsors are Mrs. J. Emmott Caldwell, Mrs. T. Wistar Brown, Mrs. Edward Fell Lukens, Mrs. A. Giraud Foote, Mrs. William Ellis Scull, Mrs. Herbert Church, Mrs. John S. C. Harvey, Mrs. Richard T. Dooner, representing the Main Line section.

Her essay on "Why I Want to Go to the Simfonietta Children's Concert" won for Marion Miller, aged 11, of 709 Bowman avenue, Merion, a silver medal.

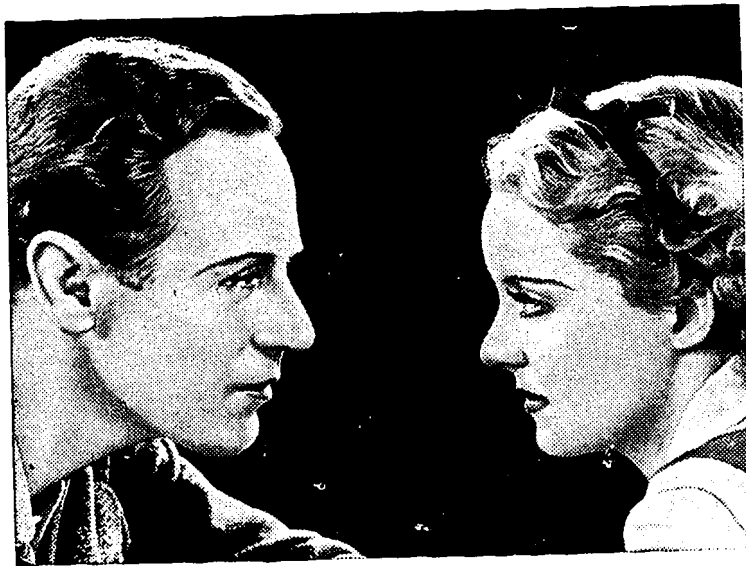

### Aunt, Uncle Lose Home

Flood and fire damage was described to his friends this week by Frank Trout, service manager of Kirsch Chevrolet Company, Cynwyd, who went last Thursday to Williamsport to aid his elderly aunt and uncle. He saw their home and all the others in its row of houses destroyed by flame and flood. He was in Sunbury Saturday night when it was still half under water and made the return trip, bringing his aunt and uncle here, over mountain trails.

### Wins Haverford Fellowship

The Clementine Cope Fellowship, valued at \$700 and given annually to the Haverford College senior most eligible for advanced study, was awarded this week to Robert M. Hutchinson, son of Mr. and Mrs. William Y. Hutchinson, of 506 Essex avenue, Narberth, by the faculty of the college.

### Award Winner in New Role

Bette Davis, winner of the 1935 Motion Picture Academy Award, will play opposite Leslie Howard (both above) in "The Petrified Forest," which will be seen at the Ardmore Theatre for three days, beginning Monday.

### Dogwood Trees for Montgomery County

There is a quarantine on dogs, but dogwood may run rampant!

Some months ago the project was started to plant more dogwood in Montgomery County. With spring in the air, the idea has been revived, and the Women's Clubs are urging everyone who can—especially property owners, to plant one or more of those lovely, lacey trees, either pink or white.

Imagine what a glorious sight it would be if every property in our county flaunted blossoming dogwood, flanking all the highways along the Main Line, and meeting the spreading branches of the perfect specimens at Valley Forge.

Small trees, three or four feet high, are inexpensive, and several larger sizes, up to ten feet are available.

The Conservation and Garden Committees of the Narberth Woman's Community Club recall Mr. Wohler's generosity in his gift of many flowering trees to the playground, Community Building grounds and the little garden at the station, and suggest that it would show civic spirit on the part of Narberth citizens to patronize their home-town nurseries.

### Selecting Lawn Seed

By following a few simple rules and selecting the best seed anyone can build a beautiful lawn.

Whether it is necessary to construct a new lawn, renovate an old one or merely to grow grass in bare spots, the soil is the first essential to be considered.

The selection of a good lawn seed is a very important factor in the making of a lawn. Lawn seed may be bought at almost any price, but a mixture of clean, live seed always commands a reasonable price.

"Old English" lawn seed is a mixture consisting of selected imported and domestic grass seeds, including Colonial Bent, blended so as to produce a durable and fine lawn. It has given excellent results throughout the Eastern States for many years. It is a safe name to go by when you go to buy lawn seed.

### Main Line Art Students to Hold Exhibit Soon

### Garden Encyclopedia Gives Complete Plant Data

Gardeners of Narberth and vicinity who have access to the GARDEN ENCYCLOPEDIA, edited by E. L. D. Seymour (recently purchased by the Narberth Community Library), have a complete source of garden information at their disposal.

Names of plants and flowers are given in both common and scientific forms. For example, one might want information about Maidenhair. A dictionary arrangement facilitates quick reference. Under the word Maidenhair there is the information that it belongs to the genus Adiantum, a fern. The origin of the name is given, and reference to an illustrative plate, "Ferns for garden and home." Turning to "Adiantum," one finds the correct pronunciation of the name, that it is commonly called "Maidenhair." Then follows an article giving geographical distribution, description, requirements of growth, soil, and what to do if it is attacked by certain insects. Thereafter comes a list of thirteen species of the genus in scientific nomenclature.

Each of the thirteen is discussed with as careful attention as the genus Adiantum itself. An article under the heading FERN extends over 11 columns, with subheadings—FERN USES, HARDY FERNS FOR THE GARDEN, SOIL PREFERENCES, INDOOR OR HOUSE FERNS, ENEMIES OF FERNS, CLASSIFICATION OF FERNS. Then comes an entry under the heading—FERN SOCIETY, AMERICAN. This gives the date of organization, history, purpose, requirements of membership and name of the official magazine of the society. And just to be thorough, the amount of the annual dues, the name of the secretary, and location of headquarters are given.

Information included in the encyclopedia is not limited by any means to plants. There is an article on garden furniture. Under TOOLS, for example, one finds a 7 column discussion and a list of 48 important tools for a garden outfit. Other important general headings are devoted to Pruning, Birds in the Garden, Insects, etc. All the articles are well illustrated and thoroughly cross referenced.

The encyclopedia together with other recommended garden books is now on display at the Narberth Community Library.

HARDWARE

The old horsehide is sailing out across the diamond these mild days. Every boy with a ball and a glove is limbering up the slumbering shoulder muscles and in a few weeks nine innings will be the daily joy instead of four quarters. Fresh cinders are being rolled on the quarter-mile tracks and with the Penn Relays the track season will be blossoming into full swing.

It is a little early to predict with any accuracy just what the prospects of the Maroon teams will be this spring. There will be fine athletes left over from former teams, but it is the new face that will determine the ultimate destination of the baseball and track squads. The boys who were on the reserve squads last year may easily develop into the stars of this spring. So we must wait and see just what the development of these lads will bring.

Upper Darby is the present baseball champion of the suburban section, while Norristown is the track king. All suburban teams will be sniping at the wearers of the royal bunting, and while Norristown looks to be of championship timber again this year, it is quite possible that Upper Darby may lose the crown to some other school on the diamond.

Lower Merion should be playing in the finals of the Eastern district this week, but a sloppily played game at the Palestra last week doomed them to defeat and elimination from the State championship picture. Bill Anderson had a fine team this year, and don't let anyone tell you that he didn't have much hope for them at the beginning of the season. Every boy on the team was a good player and he had a wealth of material. The lads from the Main Line just didn't get any of the breaks in that game, in fact, not a single one. Every decision that was made by the two officials worked to their disadvantage, and it seemed that every move they made went wrong. On the other hand, the Lebanon sharpshooters were having phenomenal success with their shooting. They did not take many shots, but those they did take were scoring with telling effect. Two decisions by the officials which were unquestionably mistakes took the heart out of a couple of the players. Personally I think the choice of officials was a great mistake. The central Pennsylvania choice has not had enough experience to be entrusted with a game of such importance, while the eastern choice was distinctly unfortunate. In spite of this, however, the Maroon players were playing a frozen game. The forwards, so capable in just such a situation previously, failed to come out and help the guards out of their difficulties, with the result that we lost the ball on numerous occasions when an effective offensive might have easily been launched.

With cold appraisal of the game and the two teams, I should say that Lower Merion is easily the better team and should now be well on the way to a State championship instead of packing their trunks away in moth balls.

If Wellington Ramsey had another year's experience he would have won the game single handed. Anyway, another year is coming, and with Ramsey, Beck and Lentz to form a nucleus, Bill should have a better team than the one which won twenty straight for him this season.

The family of C. H. A. Chain, Windsor avenue, Narberth, this week were victims of coincidence spelled with a capital "C."

Frank Chain, a son, keeps an eagle eye on "Sport" during the dog quarantine. A leash and license also afford ordinary protection. Besides the dog catchers are in Narberth only a fraction of their total time.

The coincidence was Tuesday that "Sport" slipped the leash, eluded the boy and ran right into the dog catcher's net. Members of the family got him back from the Lower Merion pound the next day.

## State Will Let Local Law Handle Quarantine

Dr. Frederick Stehle, Philadelphia district head of the bureau of animal industry of the State Department of Agriculture, this week stated his complete satisfaction with the way the quarantine on dogs is being handled by Lower Merion and Narberth authorities.

He indicated that the State enforcement officers would be kept busy in other section of Montgomery, Bucks and Delaware Counties, where no local quarantine is in force. The State ban on loose dogs began March 23 and will end July 1.

## Main Line Generous to Flood Destitute

### All Civic Agencies Continue to Aid Red Cross in Work

### SHIPMENTS SOON MADE

The Main Line opened its heart this week to Pennsylvania's flood sufferers.

At Red Cross headquarters in Ardmore and at substations in every community in this section, scores of women and men promptly dispatched money, food and clothing. Many of the business concerns also accepted donations for relief.

Rodney K. Merrick, Main Line Division chairman of the United Campaign, announced that \$200,000 had been added to the drive's quota bringing it to minimum of \$4,688,000, to take care of the emergency.

It was expected that voluntary contributions would amount to more than \$10,000 on the Main Line this week.

Edwin W. Ehmann, chairman of the Main Line Disaster Committee, efficiently directed the transportation of supplies to the flood area from Red Cross Branch No. 1 in the Times-Medical Building, Ardmore.

Needlework Guilds in every community worked as never before to collect and sort clothing suitable to the destitute.

### Red Cross Receives \$200 From Narberth for Relief

Red Cross workers in Narberth put on a sudden drive last Sunday to aid victims of the flood disaster, and reported when this paper went to press that over \$200 had been collected, in addition to three truckloads of clothing. The work was carried on independently of the regular Narberth Emergency Relief Committee, whose head, Mrs. Eberhard Mueller, continues in charge of local relief.

The Red Cross still solicits money for medical aid for flood sufferers in the form of checks payable to the American Red Cross Flood Relief, care of Mrs. Robert H. Price, 119 Essex avenue. Mrs. Edward J. Cadogan asks for canned goods to be placed in barrels of Narberth storekeepers. Among those active in getting contributions this week are Mrs. Joseph H. Miller, senior adviser of the Junior Women's Community Club, and Mrs. H. F. Stevens.

## -SPORTLETS-

It is news when Anne Page, American champion of the Merion C. C., loses a squash match. It is quite unusual when her four traveling countrymen, including Cecile Bowes, Cynwyd, win their matches while she is the lone loser. That happened at Windsor, England, however, last Saturday. The reason was that Miss Page again drew as opponent Mrs. Sheila McKechnie. Mrs. McKechnie previously had defeated Miss Bowes in the semifinals and Miss Page in the finals of the North England championship at Harrogate.

Villanova starts its baseball season next week, weather permitting, by playing Cornell at home Thursday, Princeton away Friday and the Penn A. C. at home Saturday.

With the Main Line League "race" over last week (final games: Penn Wynne, 45; Bryn Mawr, 29. Haverford Aces, 42; Narberth, 30), the only troubles with the circuit seems to be that Penn Wynne was too good for the other three, and Narberth was too poor for the other three. And it's hard to make a league with two teams.

Narberth Boys' Club continued its winning ways by nosing out the Fifth United Presbyterian passers in Philadelphia, 28-24.

As this newspaper goes to press Bryn Mawr Presbyterians and Sellers Memorial basketball teams are battling it out for the championship of the Main Line League at Haverford College. The winner will compete in the Philadelphia Protestant Church tournament.

Al Bonniwell, leading scorer in the Main Line League this season with 141 points, scored four less than his Eastern Intercollegiate record of 145 made with Dartmouth last year.

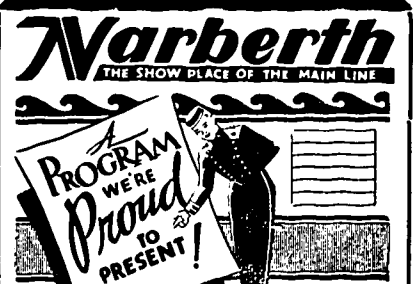

Haverford High's mermaids now may keep the J. Howard Mecke, Jr., Cup. They won the Suburban Inter-scholastic championship in 1932, 1935 and also 1936 when they defeated Cheltenham High, 50½ to 24½ this week at the Abington Y. M. C. A.

## Merion League of Women Voters Has Varied and Interesting Program

A varied program was presented by the Merion Branch of the League of Women Voters at the regular monthly meeting held at the home of Mrs. A. H. Reynolds on Winding way, Merion, Wednesday afternoon. Mrs. Robert P. Wetherald gave an interesting survey on "Personnel of State of Government," which included a comprehensive account of the Civil Service as well as spoils jobs. Mrs. Helen G. Greenwood gave a detailed account of the nominees for State and county officers in the spring primary, which will be held April 28. Miss Florence Evans, chairman of Government and International Relations, outlined the present status of world affairs.

Mrs. William H. Gehmann, Jr., chairman of the Montgomery County League of Women Voters, gave an interesting outline of a two-day convention held at Philadelphia League headquarters. Mrs. A. C. Goldsmith read a paper on birth control. Mrs. J. Alden Tift, chairman of the Merion League, appointed Mrs. J. B. Wells as chairman of the Nominating Committee.

Mrs. C. A. Freihofer was co-hostess. Tea was served, with Mrs. J. B. Wells at the tea table. Annual meeting of the league will be held April 22.
